Clerk of Circuit Court

AFFIDAVIT

June 15, 2019

To Whom It May Concern:

My name is Carline Bolivar. I am a licensed Notary Public in the State of NJ. It has been brought to my attention that a document I notarized on November 16, 2012 bears a stamp with an expiration beyond my licensed term. I am aware of this issue. Sometime in 2012, I mistakenly ordered a Notary Public stamp with an incorrect notary expiration date. That stamp was used briefly for certain signings. This issue was corrected as soon as the mistake was discovered.

Please note further that in New Jersey a Notary Public is not required to keep a journal. As such, I do not have a record of the signing. Considering that the signing occurred over seven (7) years ago, I would not be able to recall or testify as to details of the signing.

Sincerely,

Carline Bolivar
